JEWISH DIVERSITY IN OUR COMMUNITY

21st Annual CBI Auction & Dinner
Sunday, May 6, 2018 ~ 5:00 pm – 9:00 pm

Dear Members and Friends of CBI,

Plans are underway for our 21st Annual Auction and Dinner. This year we will be highlighting the diversity of the Jewish experience through our cuisine, music and culture.

Many of you have graciously contributed silent and live auction items and services in past years which helped us make this event a success. If you have not contributed before, we welcome your participation.

Your involvement allows us to support CBI programming, education of our children and offers assistance to those in need within our community through programs like *Common Ground*.

Our Congregation is dedicated to preserving Jewish heritage, ritual and education. The proceeds from this event will allow us to continue working towards this goal.

The name of your business and/or organization will be promoted in the evening program, with table signage and from the Podium throughout the event.

For more information, please contact our Administrator **Sue Barush** at cbi.amarkal@gmail.com or 707.642.6526.

Thank you in advance, for your support.

Sincerely,

Robin Gross
Auction Chair
