Reflections

By Rabbi David White

What do Summer and Shabbat Have in Common?

For most folks things calm down during the summer months. Life slows a bit and the schedule is different. It is a good time to reflect on, if nothing else, how quickly life seems to fly by...from one season to the next, and one year to the next.

It feels as if this past activity year has had more than its share of trauma, sadness and, at times overwhelm. Summer is a good time to take stock of our lives. I have noticed and felt the truism that the older one gets the faster time seems to fly. It occurred to me recently that a positive way to view that (for those that wish life would slow down a bit) is that with life going so quickly, perhaps we can find ourselves aging slower...that we, personally don't keep up with the calendar. That could give substance to the sense many have that people blessed with reasonably good health seem younger than their actual years, that so many of you seem (and appear to be) at least 10 years younger than your age.

However life is going for you, Shabbat, on a weekly basis is the day to reflect on the week that was, and to take time to notice overlooked blessings and to appreciate how you negotiated difficult and challenging points in the week. Shabbat is the day to remind you to think in terms of gratitude for what is going okay in your life and people that make your life better. Summer as a season can serve the same purpose for those of you for whom the pace is indeed slower.

For rabbis, summer is the quiet before the "storm" of reentry into the more hectic pace of the year introduced by the Days of Awe. I am more acutely aware of that this summer given how early arriving Rosh Hashanah is (September 4th!).

In preparing for the Days of Awe, I am holding onto a book I have been telling people about that is making my life as a rabbi, positing God's Presence in our daily doings and the larger world, a lot easier. I assume that you assume that it goes with the territory that a rabbi and other clergy people are in the "business" of telling you of the dynamics of God's existence and Presence in this world. You might expect it of me and therefore be tempted to take my words and teachings in that regard with a grain of salt. It is my "job" to keep you aware of the centrality of God in Judaism...especially Judaism, a story of continuity that defies logic and likelihood of possibility, given the myriad of great nations and powers through the ages that attempted to remove us from existence; ironically most, if not all of these historic powers are the ones that disappeared.

However, you would not expect that a man of science and a card-carrying skeptic would be the one to do the work for me, to

"prove" to you God's Existence and Presence. For many months a paperback has been number 1 or 2 on the national and Bay Area best seller list; I imagine it will continue to hold that position for quite some time (great news for me and other clergy "marketing" God to their congregations!). I have been amazed that in every situation I have mentioned the book hardly anyone has read it. It is great reading for contributing to your reflection this summer on life and your particular journey. Proof of Heaven by Eben Alexander is the most unlikely story you may ever read. It is the tale of a prominent Boston neurosurgeon that suddenly fell ill and was taken to his own hospital where his colleagues and co-workers saw that, however it happened, his brain was gone...completely. It was only a matter of time before the family would have to accept that the best prognosis he would face would be to live and breathe but with no ability to live as a human would want. On day 7, just as they were looking to convince the family to pull the plug, he awakened, and over a 2 year period, miraculously regained all function. His colleagues could not explain how this was possible, yet that is not the story. The story is about what happened while his brain was 100% gone. He experienced life in a "heavenly" mode, yielding truths instantly that were many times more vivid and comprehensible than dreams and, as Doctor Alexander indicated, would take a lifetime or more for a human using his/her brain to figure out. With the brain 100% gone, it was "impossible" for him to comprehend/experience anything.

I won't tell you more, but suffice it to say the title Proof of Heaven refers to Heaven as we do Jewishly, not as a "place" in a physical sense but a "reality" that is pure God with insights that make life in this world much more meaningful and significant. As a Christian who at best humored his family when they wanted him to join them at church on occasional Sundays, he presents an understanding of life and God's Presence that is perfectly aligned with Jewish teaching and understanding of the meaning of Life and how God works with us (when we allow it) in connecting this world to Life Everlasting.

This is a powerful and potent read for Agnostics and particularly card-carrying Atheists. I am tempted to teach it in the fall as yet another way of accessing Judaism and its values for practical living. The book is an easy read (150 pages) and so far whoever has listened to my urging that they read it has thanked me.

Have a wonderful restful summer. I pray it goes as slowly as you like as you savor life and all its blessings, that we be energized to start the fall together with dreams of making 5774/2014 a year of blessing and wellbeing for all of us and our world.

PRESIDENT'S MESSAGE

May was Jewish American Heritage month.

According to the Library of Congress, Jewish American Heritage Month began in 1980 when Congress passed Public Law 96-237 requesting the President to issue a proclamation designating a week in April or May as Jewish Heritage Week. In April 1980, President Jimmy Carter issued this first proclamation, Presidential Proclamation 4752. In this proclamation, President Carter spoke about the bountiful contributions made by the Jews to the culture and history of the United States.

On April 20, 2006, President George W. Bush signed into law an act establishing May as Jewish American Heritage Month, recognizing the more than 350-year history of Jewish contributions to American culture.

Since 1654, when the first Jewish community settled in America in the Dutch colonial settlement, New Amsterdam (currently New York City), members of the Jewish faith have made significant contributions to American society, culture, and its success.

According to the Jewish Virtual Library, Jewish influence in America continues as the United States is ranked second with 39 percent of the world's Jewish population, following behind Israel that contains 42 percent of the world's Jewish population.

George Washington, shortly after being elected President, sent a letter to the Hebrew Congregation of Newport, Rhode Island, at the time the largest community of Jewish families in America. He thanked them for their good wishes. Following is a paragraph from that letter:

"It would be inconsistent with the frankness of my character not to avow that I am pleased with your favorable opinion of my Administration, and fervent wishes for my felicity. May the Children of the Stock of Abraham, who dwell in this land, continue to merit and enjoy the good will of the other Inhabitants; while every one shall sit in safety under his own vine and figtree, and there shall be none to make him afraid. May the father of all mercies scatter light and not darkness in our paths, and make us all in our several vocations useful here, and in his own due time and way everlastingly happy." *George Washington*

Todah Rabah to The Edwards Family, our Sha'BBQ sponsors on July 12th!

Congregation B'nai Israel received the following response from AHAVA after they received our note and donation made to AHAVA in loving memory of our dear Fahni:

Dear Mr. Hirsh,

We were deeply sorry to hear about the death of Fahni. Fahni was for us not only a graduate of AHAVA, but also a dear friend.

Please pass our condolences and thanks for your donations to all your congregation members. As we suggested to the family - if you would like to commemorate Fahni's memory on a plaque at AHAVA please contact us.

We take this sad opportunity to thank you for your support to our organization.

RELIGIOUS SCHOOL NEWS

Well, here we are on summer vacation, and I hope you all are enjoying the weather, if the winds finally stop, and you all are enjoying your families and their activities.

I am Fern Bernstein and I have volunteered to be the Religious School principal for the coming year; Mary Schwartz will be the assistant Principal and Melissa Edwards will continue to teach the younger children. We welcome back Rachel Lessem to teach the older children and Teri Rosenmann will continue to teach the Hebrew Classes. To encourage the our youth, we are reinstating our Youth Group and look forward to some of our older students and some of our parents getting involved with this. Shalimar Ellis-Lamkins has agreed to be our Administrative Religious School Clerk, helping with calendaring, social events and educational activities. I am sure that she may be contacting you for help in the future. Remember in order for our school to grow as it has in the past, we want all of you, parents, students, former students and interested families to get involved. One of my pet projects is to reinstate our Preschool for the education of our very youngest students, as we have done in the past years. It is always great to start our future Bar/Bat Mitzvah students at their earliest years.

You can always reach me on my email account at fern.bernstein99@gmail.com or on my cell phone at 707-384-1543. I am looking forward to working with you all.

WAYS & MEANS COMMITTEE

Our final fundraiser of the year was held recently. Our Parking Lot Sale netted almost \$300.00 and, as we know, every single bit helps. A huge, huge thanks to all who showed up at 7:30am on a Sunday to help make this possible. Helen, Fern, Renee, Jennifer, Matt, Joshua should be recognized for all of their efforts. Dan did a great job of handling our food sales and congratulations to Jacob for running a successful and worthy lemonade stand. We had a lot of folks show up for our sale and it was nice to see familiar faces.

The next event scheduled is our annual Marty Lurie baseball evening. This year "Inning Three" will be held on Thursday, August 15 from 6:00 - 9:00 pm. Please see our enclosed flyer for more information. This is always a popular event and everyone has a great time. Our TLC Concert is going to be Sunday, September 8. Watch for more information. Doug Cort always does a spectacular job of spearheading the musicians and putting on a great show.

The next meeting of the Ways & Means Committee will be held at the Black Bear Diner, 980 Admiral Callaghan Lane, Vallejo, on Sunday, July 14 at 10:00am. Join us as all are welcome!

MIDRASHA IN BERKELEY

I may be writing this at the start of summer, but my mind is already wrapped around the excitement about the upcoming Midrasha school year, which begins on Sunday, September 8 at 9:30 am at Beth El. Here's a rundown of what the fall semester looks like.

The eighth grade core class will be on Jewish ethics; an elective, Shmirat Ha Guf, relating yoga and meditation to Judaism; and a new elective using the TV program "Once Upon a Time" to discuss Jewish values. The ninth grade core class will be on Jewish identity along with two sections of a class on relationships based on biblical personalities. The tenth grade core class will be on Israel, plus one class of Talmud and another on the Tanach. New to the faculty this year, Yaeli Bronstein, will teach the eleventh and twelfth grade core, "The American Jewish Experience." Yaeli will teach an elective in Hebrew calligraphy and another on "Race, Racism and Jewish Identity." Mark Deutsch will teach both songleading and comparative religions. Textile designer Inbal Shalev will teach two art classes, a creative reuse workshop that will combine old and new materials to make art based on Jewish holidays and a second that will use the land, people and culture of Israel to inspire students' art. Muni Schweig will continue to provide his "Rabbis, Philosophers, Scientists and Mystics" look at classic Jewish texts. Our mid-week class with David Henkin begins at Beth Israel at 4:15 on September 9. This class takes one theme (always a surprise until the first day of class) and carries it through various stories and books of the Tanach.

Orientation for new teens AND parents will be Wednesday, August 28 at 7:30 pm at Beth El. The Midrasha catalogue and registration forms are on our website: www.Midrasha.org. Please write down the dates of our retreats: November 8-10, 2013, January 31-February 2, April 25-27, 2014. We also have an optional backpacking trip on October 11-13, 2013. Register for that now because sign-ups close on September 23. All trips are for all grades, 8th-12th grade.

Small electronics Recycling Program

I am very pleased to announce a new and additional small electronics recycling program at CBI! We are now accepting the following:

Ink jet cartridges Laser Toner Cartridges
Digital Cameras Cellular Phones
Laptop Computers iPods
MP3 players

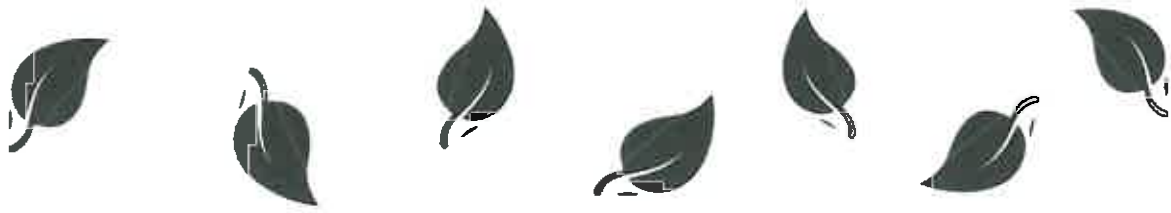

The proceeds will benefit our Religious School. We will receive anywhere from \$0.25 to \$20.00 per item with most items in the \$2.50 range.

Reprocessing one empty laser toner cartridge averts 2.5 pounds of solid waste out of landfills. Recycling one printer cartridge prevents natural resources, such as oil, from being used to produce a new one. Remanufacturing one cell phone stops 220 pounds of waste from being generated.

Please look for our new recycling display and collection box, due to arrive in April!

This new program will help us all get green, reduce solid waste, recycle and raise money for our Religious School!

Upon entering Congregation B'nai Israel, one sees our first, and full, Tree of Life, a symbol of our many joys and happiness. Read the plaques on the original Tree of Life; they reflect the history of CBI. I have two plaques on that Tree of Life; one commemorating our son's Bar Mitzvah and one for our twenty-fifth wedding anniversary.

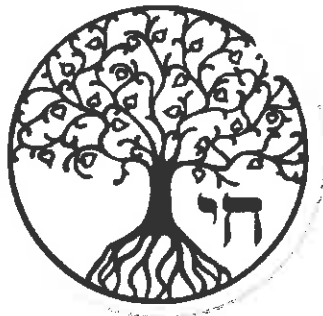

Thanks to the generosity of the Campbell family, our synagogue has a second Tree of Life, with lovely, golden leaves, ready to commemorate our community's many simchas! I have ordered one leaf to honor my grandson's Bar Mitzvah and soon will order a second leaf for our thirty-fifth wedding anniversary.

I suggest each member of Congregation B'nai Israel think of two happy events in our lives worth remembering and purchase a "leaf" on the Tree of Life. If we all purchase two leaves on the Tree, we can fill it and celebrate by adding a third Tree of Life! Send the message to be inscribed on your leaf to John Campbell, jr.campbell@sbcglobal.net, or to me, Fred Zola, fredzola@earthlink.net. The cost is \$300 per leaf. Every time you enter our synagogue, you, your family and your friends will be reminded of a joyous time in your lives.
