Bruchim Habaim, Chaverim (Welcome, Friends) to Congregation B'nai Israel!  
Congregation B'nai Israel of Vallejo, the oldest established Synagogue of Solano County, serves both as an oasis and home for all who seek to deepen and expand their own Jewish connection with others through our rich traditional and spiritual expression. Our membership currently draws from Dixon, Suisun, Vacaville, Fairfield, Cordelia, Vallejo, Benicia, Rodeo, Martinez, Lafayette, and San Rafael. We place our highest values on being inclusive and egalitarian under the leadership of Rabbi David White and the shared participation of all our members.

We strive to provide the highest quality and variety of Adult and Youth Education, Sunday and Hebrew School, sponsored and supported by parents and CBI's Sisterhood. Our social events offer both spiritual and recreational connections with our members and the larger neighboring Jewish Community.

We all warmly invite you to become an integral member of our Synagogue Family so that we may fulfill your family's spiritual and educational needs and continue the heritage of our long history.

Marc North-Horowitz and Jan Leventhal, Co-Presidents
